## Asgard eWRAP Super/Pension

1 November 2022

### Updating the information in the Asgard eWRAP Super/Pension Product Disclosure Statement

The information in this notice dated 1 November 2022 updates the information contained in the Asgard eWRAP Super/Pension Product Disclosure Statement (as updated or supplemented) (PDS) dated 29 August 2022, issued by BT Funds Management Limited ABN 63 002 916 458 AFSL No. 233724, the trustee and issuer of Asgard eWRAP Super/Pension, and should be read together with the PDS and Additional Information Booklet (AIB) (as updated).

From the date of this notice, the following update is made to the PDS:

In the section 'Your Transaction Account' on page 11 of the PDS, the first paragraph up to (but not including) the diagram is deleted and replaced with:

When you open an Asgard eWRAP Super/Pension account, a Transaction Account is automatically established for you and acts as the main transaction account inside your Asgard eWRAP Super/Pension account. The Transaction Account is used to settle your managed fund, term deposit and listed security transactions. Interest accrues daily on your balance held in the Transaction Account, and is credited to your account monthly in arrears so your money is working for you even between investments. Interest on the Transaction Account is calculated at a variable rate. The Transaction Account is transactional in nature and is not intended to be used as an investment option.

BTFM prepared this PDS on 18 August 2022, and the issue date is 29 August 2022

BTFM is a subsidiary of Westpac Banking Corporation ABN 33 007 457 141 AFSL 233714 (Westpac) and is a member of the Westpac Group.

## About Asgard

Asgard Capital Management Ltd ABN 92 009 279 592, AFSL 240695 (Asgard and the Administrator) is the custodian and administrator of Asgard eWRAP Super/Pension.

Asgard is a subsidiary of Westpac and a member of the Westpac Group. Asgard has consented to being named in this PDS.

## About Asgard eWRAP Super/Pension

Asgard eWRAP Super/Pension refers to Asgard eWRAP Super Account and Asgard eWRAP Allocated Pension Account which are both part of the Asgard Independence Plan – Division 2 ABN 90 194 410 365 (the Fund).

Your rights in relation to Asgard eWRAP Super/Pension are governed by the Asgard Independence Plan – Superannuation Trust Deed dated 12 May 1988 as amended from time to time (the Trust Deed) (which overrides any inconsistent provisions in this PDS), superannuation law and the general law.

## This PDS

Information in this PDS, or that forms part of this PDS, has been prepared in accordance with our obligations under superannuation law and its terms do not form the basis of a contractual relationship between you and us, except where this is specifically intended to be the case (for example, in the 'Investor declarations, conditions and acknowledgements' section in the AIB, and in relation to any other acknowledgement and representations you make to us in the forms).

Other than as specified by legislation, including superannuation law, this PDS does not confer on you any additional rights. The Trustee reserves the right to change the features and provisions relating to this product as contained in this PDS, but will provide you with notice of any such change or the ability to access such information pursuant to superannuation law (see 'Keeping you informed' in the 'General information' section in this PDS).

## General advice warning

The provision of the investments available through Asgard eWRAP Super/Pension or any other investment information, examples or statements in this PDS, should not be taken as the giving of financial product advice by us. The information provided in this PDS is general information only. It does not take into account your investment objectives, financial situation or needs. Before acting on the information, you should consider the appropriateness of the information having regard to your personal objectives, financial situation and needs.

## Investment in Asgard eWRAP Super/Pension

Apart from any interest you may have in underlying bank accounts and assets held at St. George and/or Westpac through your Transaction Account, Westpac term deposit products or Westpac securities acquired through Asgard eWRAP Super/Pension (through your Transaction Account or otherwise), an investment in Asgard eWRAP Super/Pension is not an investment in, deposit with, or any other liability of Westpac or any other company in the Westpac Group. The Asgard eWRAP Super and eWRAP Pension accounts and the investments you select are subject to investment risk, including possible delays in repayment and the loss of income and capital invested.

The Trustee, Asgard and Westpac (including other companies within the Westpac Group) do not in any way stand behind or guarantee the capital value and/or the performance of the specific investments you select or the Asgard eWRAP Super account, or the Asgard eWRAP Pension account generally.

# 1. About Asgard eWRAP Super/Pension

Asgard eWRAP Super/Pension is an administration facility that allows you to 'wrap' all of your superannuation (super) benefits into one simple retirement account and invest – through this account – in cash, term deposits, an extensive range of managed investments and securities listed on the Australian Securities Exchange (ASX).

Asgard eWRAP Super/Pension offers two account types:

Asgard eWRAP Super	Asgard eWRAP Pension
<ul style="list-style-type: none"><li>– Helps you to save for your retirement</li><li>– Accepts a wide range of contribution types and rollovers</li><li>– Provides access to life insurance options to suit your insurance needs</li></ul>	<ul style="list-style-type: none"><li>– Allows you to turn your super savings into a flexible income stream during your retirement or transition to retirement</li><li>– Allows you to have pension payments made monthly, quarterly or annually to suit your needs (subject to limits set by legislation)</li></ul>

## Features of investing in Asgard eWRAP Super/Pension

As a member of Asgard eWRAP Super/Pension you have access to a wide range of flexible features that allow you, with the help of your financial adviser, to tailor your account to suit your financial needs. These features include:

- **Extensive investment menu.** You have access to a transaction account, term deposits, over 550 managed investments and a broad range of securities listed on the ASX.
- **Wholesale prices and fee rebates.** The managed investments available are typically not available to retail investors directly and generally have lower investment manager fees than retail funds. We may also be able to negotiate rebates on the fees charged by some investment managers which will be passed on in full to members. For more information, refer to 'Investment fee rebates' in the 'Additional explanation of fees and costs' section in the AIB.
- **Consolidated reporting.** You can get one clear view of all the investments you hold through your account. You can view your account online, 24 hours a day, 7 days a week via *Investor Online*.
- **Save on fees through fee aggregation.** Where you hold more than one Asgard eWRAP Super and/or Asgard eWRAP Pension account (subject to the conditions in this PDS being met) we will automatically link these accounts for the purposes of calculating the administration fee, which means you may save money on fees.
- **Optional features.** You can automatically invest excess cash, rebalance your portfolio and make deposits into your Asgard eWRAP Super account, allowing you and

your financial adviser to spend more valuable time developing your investment strategy.

- **Seamless transfer from super to pension.** When you transition to retirement or are ready to retire, investments you hold through an Asgard eWRAP Super account can be transferred to an Asgard eWRAP Pension account without needing to sell down your investments, which can incur transaction costs and keep you out of the market.

## Features of the eWRAP Super account

- **Flexible ways for you to make contributions.** Via direct debit, cheque and/or BPAY®.
- **Insurance options.** Insurance may be available including Income Protection, Term Life or Life Protection and Total and Permanent Disablement (TPD) Protection to protect you and your family from the impact of any unforeseen events such as serious sickness or injury. Speak to your financial adviser for more information about the insurance options available to you. If you subsequently end your relationship with your financial adviser, the insurance options available to you may change. Refer to 'What happens if you do not appoint a replacement financial adviser' in this PDS for more information.
- **Regular deposit plan.** Makes it easy for you to adopt a disciplined approach to saving.

® Registered to BPAY Pty Ltd ABN 69 079 137 518.

## Features of the eWRAP Pre-retirement account

- Enables you to access your super savings as a regular income stream once you have met your preservation age to help you transition to retirement.
- Flexible income payments – provides you with flexible pension payments monthly, quarterly or annually to help you manage your minimum and maximum drawdown limits.
- Taxed just like your accumulation super account.

## Features of the eWRAP Pension account

- **Easy access to your money.** An allocated pension provides you with flexible pension payments – monthly, quarterly or annually and you can also access your benefits as a lump sum.
- **Take advantage of tax credits.** Investment income in the Asgard eWRAP Pension account is generally free from tax. You may also receive the value of any franking credits on the managed investments that fund your pension.

## 2. What you need to know about super

Super is a means of saving for retirement and is, in part, compulsory. It may be one of the biggest investments you make in your life. Most Australians have the right to choose the fund into which their employer should pay their super contributions. The Australian Government has provided tax savings and other benefits, which generally make super one of the best long-term investment vehicles.

### How super works

#### Contributing to super

There are several types of super contributions – for example, personal, spouse, and employer contributions, as well as Government contributions. Generally, if you are under 75, your super fund can accept all of these types of contributions. Once you turn 75, restrictions apply.

Limits (known as ‘caps’) apply to the amount of most contributions that can be made to your super. If you exceed a cap, additional tax may be payable.

You cannot add to your Asgard eWRAP Pension account once your pension has commenced, although you can consolidate your benefits and start a new pension. Consolidation of your benefits may have social security implications. We encourage you talk to your financial adviser first before requesting to consolidate your benefits into a new pension account.

#### Withdrawals – accessing your super

There are restrictions on when you can withdraw your super. Generally, you cannot access your super until you have:

- turned 65,
- retired after reaching your preservation age (currently between 55 and 60, depending on your date of birth), or
- ceased a form of gainful employment after turning 60.

In limited circumstances, you can access your super before you retire if you meet a condition of release under superannuation law. For example, you may be able to access your super after reaching your preservation age through a non-commutable (transition to retirement) pension, even while still working.

The minimum balance that must remain in your account after a withdrawal or rollover is \$10,000. If you request a withdrawal or rollover that would result in your account balance falling below \$10,000, we may reject your request.

For more information on contributing to super and accessing your super, see the ‘How super works’ section in the AIB

### How super is taxed

To encourage superannuation savings, the Government has provided some distinct tax advantages (savings):

- you can invest ‘before-tax’ income through salary sacrifice.
- the income on your investment is concessional tax, with a maximum tax rate of 15%, and
- your benefits are tax-free if received after you turn 60.

There are generally three main taxes that apply to super:

#### 1. Tax on contributions

Some, but not all contributions are taxed in Asgard eWRAP Super account at 15%. If you’re classified as a high income earner, you may need to pay an additional 15% tax (known as Division 293 tax) on some or all of your contributions. If this applies to you, the Australian Tax Office will notify you after the end of the financial year.

#### 2. Tax on income within the Fund

Investment income and capital gains are:

- taxed at a maximum rate of 15% in Asgard eWRAP Super account, but the actual rate may be lower.
- taxed at maximum rate of 15% in Asgard eWRAP Pension account if you have a pre-retirement Pension, but the actual rate may be lower.
- currently tax free in the Asgard eWRAP Pension account if you do not have a pre-retirement pension.

#### 3. Tax on your super benefits

- If you are at least 60 years old, your lump sum benefits or income payments from Asgard eWRAP Super/Pension are tax free, or
- If you are aged under 60, see the following table.

## Tax treatment on payments to you before your 60th birthday

	Pension payments	Lump sum withdrawals
Super	Not applicable	<b>Tax-free component:</b> <ul style="list-style-type: none"><li>– Nil</li></ul> <b>Taxable component:</b> <ul style="list-style-type: none"><li>– If you are under your preservation age, the tax rate is 20% (plus the Medicare Levy)</li><li>– If you have reached your preservation age but are under 60, the benefit is tax-free up to the low rate cap amount<sup>1</sup>, then the rate of 15% applies (plus the Medicare Levy).</li></ul>
Pension	Generally if you are under 60 but have reached your preservation age, tax is payable at your marginal tax rate, less a 15% tax offset.	

<sup>1</sup> For current information on the low rate cap, visit [www.ato.gov.au](http://www.ato.gov.au)

For more information on how super is taxed, see the 'How super is taxed' section in the AIB.

### How tax amounts due are paid

Tax is deducted from an account when the fund is required to make Pay As You Go (PAYG) Tax Instalments or the annual tax return payment. There are also annual tax adjustments that apply to both super and pension accounts. Any tax owing is also deducted prior to the closure or transfer of an account.

### Tax File Number (TFN)

You should provide your TFN when you invest in the Asgard eWRAP Super/Pension, however, providing your TFN is voluntary. Not providing your TFN will have tax consequences and will also affect the type of contributions you make into your Asgard eWRAP Super account.

### 3. How Asgard eWRAP Super/Pension works

#### Your financial adviser

Your financial adviser is integral to your Asgard eWRAP Super/Pension account. You need to have a financial adviser to open and to effectively operate your Asgard eWRAP Super/Pension Account.

Your financial adviser has online access to your account via AdviserNET. Through AdviserNET, your financial adviser can make amendments to your account – that is update your personal or bank account details except your Nominated Bank Account (refer to the ‘Your Transaction Account’ section on page 11) which only you can update, set up new features, transact on your account (such as submitting buy and sell instructions) and generate various types of reports to help make informed decisions about your super.

Whether your financial adviser can transact or make amendments to your account on AdviserNET without notifying you first depends on the level of authority you grant to your financial adviser.

#### Authority

You can decide what level of authority your financial adviser holds for operating your account. There are two levels of authority:

1. **Investor directed authority** – You must authorise each instruction (transaction or account amendment) in writing before your financial adviser submits it to us online.
2. **Authority to operate** – This allows your financial adviser to submit investment instructions to us online and amend your account details on your behalf, without prior authorisation from you. Unless we advise you otherwise, the authority to operate allows your financial adviser to submit all instructions on your behalf except the following instructions:
  - changing the name of your account,
  - funding a payment request,
  - transferring your account from Super to Pension,
  - setting up or increasing the adviser fee(s) to be charged to your account, and
  - in relation to any other matters outlined in this PDS and the AIB that may require your personal instruction.

#### Change of authority or adviser

If you change your financial adviser or cancel your financial adviser’s authority to operate, you must tell us immediately. If you change your financial adviser and don’t inform us, we’ll continue to act on the authority to operate you granted to your previous financial adviser.

#### Removal of financial adviser from your account

Asgard eWRAP Super/Pension is designed to be used by you together with your financial adviser. For that reason, you will need to have a financial adviser to open your account and to optimise the account features and fee structures. If your relationship with your financial adviser ends, you will need to notify us immediately and let us know whether you will be appointing a new financial adviser. If you do not appoint another financial adviser, you will need to manage your account directly. In addition, the fees applying to your account may increase and you won’t have access to the full range of account features and functionalities.

For more information on the consequences of not having a financial adviser, see ‘What will occur if you no longer have a financial adviser’ in the ‘General information’ section in this PDS.

## Investment options

Through Asgard eWRAP Super/Pension, you have access to managed investments, term deposits and listed securities. By diversifying your investments and investing for an appropriate timeframe, you may reduce the risks associated with super.

With the help of your financial adviser, you can quickly and easily change and mix your investments at any time throughout your life or as investment markets change.

Together with your financial adviser, you are in control of where your money is invested and you can create the financial strategy that is best suited to your financial needs and goals.

### Managed investments

You can choose from an extensive range of managed investments, including investments from different asset classes such as cash, fixed interest, shares or equity, and property as well as multi-sector (diversified) funds managed by some of Australia's leading investment managers.

You can obtain a copy of the product disclosure statements for the available managed investments free of charge on request from your financial adviser or by contacting Customer Relations.

### Listed securities

You have access to a broad range of securities listed on the ASX approved by the Trustee.

Please contact your financial adviser for information about the listed securities available through Asgard eWRAP Super/Pension.

### Term deposits

Through Asgard eWRAP Super/Pension, we offer a range of term deposits with differing maturities/terms and interest payment options. You can learn more about the current terms and rates available from your financial adviser or by calling Customer Relations.

Term deposits provide a fixed interest rate for a fixed length of time which means that you are protected from any decreases in interest rates during the term of your investment in the term deposit. However, you may not be able to take advantage of interest rate increases should the interest rates rise during the term of your investment.

Term deposits are suitable for members who have an understanding of when they are likely to need to access funds in the future. They are not suitable for anyone who may suddenly need access to any funds in their term deposit as term deposits cannot be withdrawn before maturity.

For information on the terms, conditions and restrictions that apply to term deposits, refer to the relevant term deposit disclosure document, which you can obtain free of charge from your financial adviser or by calling Customer Relations.

### Transferring investments

If you hold investments within a superannuation fund outside of Asgard eWRAP Super/Pension, you may be able to transfer these investments into your new Asgard eWRAP Super/Pension account or existing Asgard eWRAP Super account (provided those investments are approved by us) without needing to sell those investments first and then buy them back in your account.

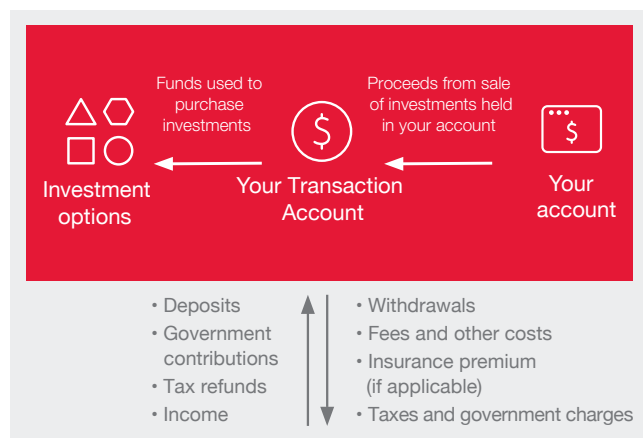

Furthermore, with the help of your financial adviser, you can seamlessly transfer all or some of the investments in your Asgard eWRAP Super account to a new Asgard eWRAP Pension account.

For more information on investment options, see the 'Your investment options' section in the AIB.

## Your Transaction Account

When you open an Asgard eWRAP Super/Pension account, a Transaction Account is automatically established for you and acts as the main transaction account inside your Asgard eWRAP Super/Pension account. The Transaction Account is used to settle your managed fund, term deposit and listed security transactions. Interest accrues daily on your balance held in the Transaction Account, and is credited to your account quarterly in arrears so your money is working for you even between investments. Interest on the Transaction Account is calculated at a variable rate determined by the Administrator. The Transaction Account is transactional in nature and is not intended to be used as an investment option.

You need to provide us with details of an account you hold with a financial institution. We refer to this bank account as your 'Nominated Bank Account'. Any direct credit payment via electronic funds transfer (EFT) you make from your Transaction Account will be paid into your Nominated Bank Account.

You can amend your Nominated Bank Account by completing the 'Nominated Bank Account addition or amendment' form (available from your financial adviser or Customer Relations) and returning it to us.

You can deposit funds into your Transaction Account by cheque, direct debit (either one-off or by establishing a regular deposit plan) and via BPAY.

Please note that deposits into your Super account and benefit payments are subject to restrictions under superannuation laws.

If you have an Asgard eWRAP Pension account, your regular pension payment will be paid into a bank account selected by you. You also have the choice of nominating a monthly, quarterly or yearly payment frequency.

Refer to the 'How super works' section in the AIB for further information.

## Maintaining a minimum balance in your Transaction Account

You have to maintain a minimum balance in your Transaction Account to pay for transactions such as insurance premiums (if applicable), pension payments, and fees and other costs.

The minimum balance applying to the Transaction Account is set out in 'Maintaining a minimum balance in your Transaction Account' in the 'How your account works' section in the AIB. You can monitor your Transaction Account balance by regularly checking the details of your account on *Investor Online*.

When your Transaction Account balance is close to or less than the minimum, you may wish to deposit additional funds into your account. You can also instruct your financial adviser to sell specific managed investments or listed securities. The sale proceeds will be paid into your Transaction Account.

If you do not top up your Transaction Account balance, we may sell managed investments.

Refer to 'Your Transaction Account' in the 'How your account works' section in the AIB for more information.

## Optional features of your account

Asgard eWRAP Super/Pension offers a number of optional features to help you and your financial adviser manage your superannuation savings and/or your account more effectively. Some of these features reduce the need to constantly monitor your account and give you greater confidence that your investment strategy is being maintained.

Optional features	Description
<b>Regular deposit plan (eWRAP Super account only)</b>	Allows you to regularly deposit funds into your Transaction Account from a bank account selected by you. You can choose how much you want to deposit, the frequency of your deposits (monthly, quarterly, half-yearly or yearly) and the duration of your plan.
<b>Automatically invest excess cash</b>	Allows you to nominate a required cash balance and automatically invest the excess above this balance on a monthly basis according to a template (model portfolio) or the current value of all managed investments held through your account.
<b>Automatically rebalance your account</b>	Allows you to regularly (quarterly, half-yearly or yearly) rebalance your portfolio according to a template (model portfolio) which you and your financial adviser have agreed to for the investments held in your account.
<b>Regular buy</b>	Allows you to regularly invest a specified dollar amount from your Transaction Account into one or more managed investments at a frequency determined by you.
<b>Regular sell</b>	Allows you to regularly sell a specified dollar amount from one or more managed investments held in your account at a frequency determined by you, with the proceeds deposited into your Transaction Account.
<b>Reinvest income distributions or dividends</b>	You have the option to either keep income distributions from your managed investments in your Transaction Account or use the distributions to buy further units in those managed investments. When it comes to listed securities, you can elect to receive dividends as cash or participate in dividend reinvestment plans (DRPs). A DRP election applies across all listed securities held through your account (where a DRP is available).
<b>Online participation in corporate actions</b>	Working with your financial adviser, you can participate in corporate actions (provided those corporate actions are approved by us) quickly and easily, without having to manage this with the share registry. Your financial adviser can submit your election online using AdviserNET. Refer to 'Transacting in your account' in the 'How your account works' section in the AIB for more information.
<b>Estate planning – death benefit nomination</b>	<p>Generally, death benefits can be paid either as a lump sum or pension (subject to some restrictions). You can nominate who should receive your death benefits in the event of your death. There are three types of nominations available:</p> <ol style="list-style-type: none"> <li>1. A binding nomination binds us to make a death benefit payment according to your instructions (subject to certain conditions),</li> <li>2. A discretionary (non-binding) nomination allows you to nominate your preferred beneficiary(ies) but ultimately leaves it to our discretion to decide who to pay your death benefit, OR</li> <li>3. An automatic reversionary nomination (pension accounts only) means that your pension will automatically continue to be paid from your pension account to your nominated beneficiary, following your death (subject to certain conditions). Please note that if you were nominated as an automatic reversionary beneficiary, you cannot select another automatic reversionary beneficiary</li> </ol> <p>For more information on death benefit nominations, see 'Estate Planning' in the 'How your account works' section in the AIB.</p>
<b>Insurance (Super account only)</b>	<p>Protect your lifestyle and investments with life insurance in the event of a personal crisis. The types of insurance cover available are:</p> <ul style="list-style-type: none"> <li>– term life or life protection which pays a lump-sum benefit in the event of death or terminal illness</li> <li>– Total &amp; Permanent Disablement (TPD) which pays a lump-sum benefit if you become totally and permanently disabled.</li> <li>– income protection which provides a regular monthly benefit if you become disabled due to sickness or injury.</li> </ul> <p>Insurance premiums are deducted from your Transaction Account.</p> <p>To access the PDS, please contact your financial adviser or call Customer Relations. Existing members can also obtain a copy of the PDS through Investor <i>Online</i>.</p>

Your financial adviser can set up these features for you. For more information on these features, refer to 'How your account works' section in the AIB.

If your relationship with your financial adviser ends and you do not appoint a new financial adviser you may not be able to access all of the above features. For more information on the consequences of not having a financial adviser linked to your account, see 'What will occur if you no longer have a financial adviser' in the 'General information' section in this PDS.

### Consolidated reporting

Regardless of the number of investments you hold through your Asgard eWRAP Super/Pension account, we provide you with easy-to-read reporting that consolidates all the transactions from the different investment managers, term deposits and listed securities in your portfolio. This makes it easier to compare and analyse how various investments are performing and for your financial adviser to make informed decisions if changes need to be made.

Following the end of each financial year, we'll produce your comprehensive Investor Report providing you with a clear snapshot of all your investments in one easy-to-understand document. This is also available on *Investor Online*.

You can access information on your account anytime and anywhere online, through *Investor Online*. For more information on *Investor Online* and other types of reporting we make available to you, refer to 'Keeping you informed' in the 'General information' section in this PDS.

For more information on how Asgard eWRAP Super/Pension works, see the 'How your account works' section in the AIB.

## 4. What are the risks

It's important to note that all investments involve varying degrees of risk. The likely investment return and the level of risk that you could lose money are different for each investment option depending on the underlying mix of assets. Generally, the higher the potential return of an investment over the longer term, the greater the level of risk of loss in the shorter term.

When considering investment in super, it is important to understand that:

- investments will fluctuate in value
- returns are not guaranteed and you may lose some of your money
- investment returns can be volatile and may vary - past performance is not a reliable indicator of future performance
- laws affecting your super may change, and
- the amount of your future super savings may not be enough to adequately provide for your retirement.

Risks associated with a particular investment option could include (among other things) risks specific to a certain security, market risk, currency risk, interest rate risk, derivatives and gearing risk, alternative investment risk, credit risk, liquidity risk and legal and regulatory risk. The Asgard eWRAP Super and Pension accounts and the investments you select are also subject to investment risk, including possible delays in repayment and the loss of principal, income and capital invested.

The appropriate level of risk for you will depend on your age and investment timeframe, where other parts of your wealth are invested and how comfortable you are with the possibility of losing some of your super in some years.

A crucial part of your relationship with your financial adviser is working out your own risk/return profile, that is, how much risk you are prepared to take in order to generate the returns you want.

For more information on risks of investing and super, see 'Investing involves risks' in the 'Your investment options' section in the AIB.

## 5. Fees and other costs

### Did you know?

Small differences in both investment performance and fees and costs can have a substantial impact on your long-term returns.

For example, total annual fees and costs of 2% of your account balance rather than 1% could reduce your final return by up to 20% over a 30-year period (for example, reduce it from \$100,000 to \$80,000).

You should consider whether features such as superior investment performance or the provision of better member services justify higher fees and costs.

You or your employer, as applicable, may be able to negotiate to pay lower fees. Ask the fund or your financial adviser.

### To find out more

If you would like to find out more, or see the impact of the fees based on your own circumstances, the **Australian Securities and Investments Commission (ASIC)** Moneysmart website ([www.moneysmart.gov.au](http://www.moneysmart.gov.au)) has a superannuation calculator to help you check out different fee options.

### Fees and other costs

This section shows fees and other costs that you may be charged. These fees and other costs may be deducted from your money, from the returns on your investment or from the assets of the superannuation entity as a whole.

Other fees, such as activity fees, advice fees for personal advice and insurance fees, may also be charged, but these will depend on the nature of the activity, advice or insurance chosen by you. Entry and exit fees cannot be charged.

Taxes are set out in the 'What you need to know about super' section in this PDS and the 'How super is taxed' section in the AIB. Insurance fees and other costs relating to insurance are set out in the PDS of the insurance provider.

You should read all the information about fees and other costs because it is important to understand their impact on your investment.

The fees and other costs for each managed investment offered by Asgard eWRAP Super/Pension are set out in the PDS for each managed investment. These are available from your financial adviser or through Investor *Online* for existing members.

Except where otherwise stated, the fees and other costs shown do not take into account any income tax benefit (if applicable), but are expressed as inclusive of GST, stamp duty and are net of any reduced input tax credit (RITC) that may be claimed.

Any fee negotiated with your financial adviser will be disclosed in the Financial Services Guide or Statement of Advice you receive from your financial adviser.

## Fees and costs summary

Type of Fee	Amount	How and when paid
Ongoing annual fees and costs		
Administration fees and costs	Administration fee	
	This is the fee for the administration services we provide in relation to your account. It is not related to any financial advice.	Deducted from your Transaction Account monthly in arrears at the beginning of each month and paid to us.
		Calculated based on your Account balance <sup>1</sup> at the end of the previous month.
		Where your account is opened during the month, the administration fee charged to your account will be pro-rated based on the number of days your account was opened in that month.
Plus		
	Trustee fee	
	0.1045% per annum charged on the first \$3 million of the combined value of your Account balance <sup>1</sup> .	Deducted from your Transaction Account monthly in arrears at the beginning of each month and paid to us.
	This is the fee for our services in overseeing the account's operations and for providing access to the account's investment options.	Calculated based on your Account balance <sup>1</sup> at the end of the previous month.
		Where your account is opened during the month, the Trustee fee charged to your account will be pro-rated based on the number of days your account was opened in that month.
Plus		
	Expense recovery	
	Estimated to be approximately \$155 per annum, plus 0.03% per annum of your total account balance for expenses incurred in relation to the Operational Risk Financial Requirement (ORFR), capped at a maximum of \$300 pa per Asgard Super/Pension account. The exact amount charged to your account will be reported in your periodic Investor Report.	Calculated based on the expenses incurred and deducted from your Transaction Account at the time the expense is applied.
		The ORFR expense is calculated as a percentage of your total account balance, including the amount in your Transaction Account. It is calculated and deducted from your Transaction Account at the time the expense is applied.
		Expense recovery is payable to us and will not be passed on to your financial adviser or your financial adviser's licensee.
Investment fees and costs <sup>2</sup>	Transaction Account fee	
	This is the amount the Transaction Account Administrator <sup>3</sup> earns for managing the amount held in your Transaction Account. It is equal to the amount earned in relation to the funds held in your Transaction Account, less the interest <sup>4</sup> credited to your Transaction Account.	The Transaction Account fee is not separately deducted from your Transaction Account. It accrues daily and is deducted on a monthly basis in arrears from the investment returns earned by the Administrator on the underlying assets the Administrator invests Transaction Account balances in.

<sup>1</sup> The Account balance is the combined value of managed investments, term deposits and listed securities held through your account. **Note:** If your account balance in Asgard eWRAP Super/Pension is less than \$6,000 at the end of the financial year or at the time of exit, the total combined amount of administration fees, investment fees and indirect costs charged in the financial year is capped at 3% of your account balance. Any amount charged in excess of this cap will be refunded.

- 2 Fees and costs are payable to the investment managers of the underlying investments. The amount you pay for specific underlying investments is shown in the disclosure documents for each underlying investment. For more information, see the 'Additional explanation of fees and costs' section in this PDS.
- 3 The Transaction Account Administrator is BT Portfolio Services Limited ABN 73 095 055 208 (BTPS). BTPS is a related body corporate of Asgard and BTFM.
- 4 The declared interest rate may change from time to time but will be greater than 0%. For the current interest rate declared on your Transaction Account, speak with your financial adviser or Customer Relations.
- 5 Investment fees and costs includes an amount of 0.00% for performance fees. The calculation basis for this amount is set out under 'Performance fees' in the 'Additional explanation of fees and costs' section of this PDS.
- 6 For more information about the other fees and costs, refer to the 'Additional explanation of fees and costs' sections in this PDS and the AIB.

## Example of annual fees and costs

This table gives an example of how the ongoing annual fees and costs for accessing the Advance Moderate Multi-Blend Fund through this superannuation product can affect your superannuation investment over a one year period. You should use this table to compare this superannuation product with other platform superannuation products.

Example – Advance Moderate Multi-Blend Fund		Balance of \$50,000 <sup>1</sup>
Administration fees and costs	\$819.96 <sup>1</sup> (Administration fee)	For every \$50,000 you have in the superannuation product, you will be charged or have deducted from your investment \$1,042.81 in administration fees and costs.
	+	
	0.1045% (Trustee fee)	
	+	
	\$170.60 <sup>2</sup> (Expense recovery)	
<b>PLUS</b> Investment fees and costs	0.25% <sup>1</sup> (Transaction Account fee)	<b>And</b> , you will be charged or have deducted from your investment \$5.00 in investment fees and costs.
<b>PLUS</b> Transaction costs	Nil	<b>And</b> , you will be charged or have deducted from your investment \$0 in transaction costs.
<b>EQUALS</b> Cost of product		If your balance was \$50,000 <sup>1</sup> then for that year you will be charged fees of <b>\$1,047.81<sup>3</sup></b> for the superannuation product.

1. In this example, it is assumed that \$50,000 is held in the Advance Moderate Multi-Blend Fund and an additional \$2,000 is held in your Transaction Account for the whole year (please refer to the 'Maintaining a minimum balance in your Transaction Account' in the 'How your account works' section in the AIB to confirm the minimum amount required to be held in your Transaction Account). As the amount is less than \$100,000, minimum fees of \$68.33 per month (or \$819.96 p.a.) are applied as the administration fee. As your account balance increases, the total administration fee you pay as a percentage of your account balance will decrease due to the tiered administration fee structure (as shown in the administration fee scale in the fee table in this section).
2. The Expense recovery is an estimate only. The exact amount deducted from your account will be confirmed in your periodic Investor Report.
3. This example does not take into account all the fees and costs that may apply to your account, for example share brokerage, buy/sell spreads, insurance fees or adviser fees. Refer to the 'Additional explanation of fees and costs' section in the AIB for information about the fees and other costs that may apply.
  - a. The adviser fee is negotiated between you and your financial adviser and paid to your financial adviser.
  - b. The actual transaction costs incurred are dependent on the managed investments, term deposits and listed securities you decide to invest in.

This example is illustrative only and fees and costs may vary for your actual investment. The example only shows the fees and costs that relate to accessing investments through the superannuation product and not the fees and costs of the underlying investments. Additional costs will be charged by the issuers of those products that you decide to invest in. Please refer to the example below 'Example of total costs' that illustrates the combined effect of the fees and costs.

## Example of total costs

This table illustrates the combined effect of fees and costs of the superannuation product and the fees and costs for an investment in the Advance Moderate Multi-Blend Fund through the superannuation product over a one year period, based on the same assumptions as the 'Example of annual fees and costs' in the previous section.

Example – Advance Moderate Multi-Blend Fund		Balance of \$50,000 <sup>1</sup>
Cost of Asgard eWRAP Super/Pension		If your balance was \$50,000 <sup>1</sup> , then for that year you will be charged fees of \$1,047.81 for Asgard eWRAP Super/Pension
<b>PLUS</b> management fees and costs for an investment in the Advance Moderate Multi-Blend Fund <sup>1</sup>	0.63% <sup>2</sup>	<b>And</b> , fees and costs of \$315.00 each year will be deducted from your investment
<b>PLUS</b> performance fees for the Advance Moderate Multi-Blend Fund	0.03%	<b>And</b> , you will be charged or have deducted from your investment \$15.00 in performance fees each year
<b>PLUS</b> transaction costs for the Advance Moderate Multi-Blend Fund	0.09%	<b>And</b> , you will be charged or have deducted from your investment \$45.00 in transaction costs each year
<b>EQUALS</b> total combined cost of investing in the Advance Moderate Multi-Blend Fund through the superannuation product		If you had an investment of \$50,000 at the beginning of the year and you put in an additional \$5,000 during that year, you would be charged fees and costs of:  <b>\$1,422.81<sup>3</sup></b>  What it costs you will depend on the investment option you choose and the fees you negotiate.

1. This example assumes \$50,000 is invested in the Advance Moderate Multi-Blend Fund and an additional \$2,000 is held in your Transaction Account for the whole year (please refer to the 'Maintaining a minimum balance in your Transaction Account' in the 'How your account works' section in the AIB to confirm the minimum amount required to be held in your Transaction Account).
2. This amount is an estimate based on the fees and costs for the Advance Moderate Multi-Blend Fund to the year ended 30 June 2022. For more information regarding these fees and costs, please refer to the 'Additional explanation of fees and costs' section of the AIB.
3. Additional fees may apply. This example does not take into account other fees and costs that may apply to some or all of the available investments, such as Adviser establishment fees, other advice fees, transaction fees, transaction costs, any applicable buy/sell spread charges, Family Law Act fees, or Government or bank fees. The actual fees and other costs incurred are dependent on the investments you decide to transact in. Refer to the 'Additional explanation of fees and costs' in this PDS and the 'Additional explanation of fees and costs' section of the AIB for information about the fees and other costs that may apply.

This example is illustrative only and fees and costs may vary for your actual investment. For information regarding the fees and costs of underlying investments, please refer to the disclosure document for each underlying investment, available at any time from your financial adviser or Customer Relations.

## Additional explanation of fees and costs

### Fee aggregation

Where you hold more than one Asgard eWRAP Super/Pension account and Asgard Infinity eWRAP Super/Pension account, we will automatically link these accounts and apply proportionately each of the administration fee scales that are relevant to the aggregated value of managed investments<sup>1</sup> and listed securities held through these accounts. The administration fee that the linking of accounts generates is then compared to the sum of the administration fees payable on each of the individual accounts to determine whether any discount arises from the fee aggregation. The discount (if any) is apportioned across the linked accounts based on the value of managed investments<sup>1</sup> and listed securities held through each account. This is another way we help you lower the cost of managing your investments.

To be eligible for aggregation, the accounts must be registered under the same surname, date of birth, financial adviser and adviser code. There is no limit to the number of accounts that can be linked together for the purpose of fee aggregation.

### Licensee negotiated administration fee waiver

Your financial adviser or their licensee may negotiate with us (on your behalf) for a partial waiver of the administration fee (disclosed as 'Administration fee' in the second column of the 'fees and other costs' table) charged to your account.

This means that the administration fee you need to pay may be lower than what is disclosed in that table. Where the licensee negotiated administration fee waiver applies, you will receive details of the reduction through the Statement of Advice provided by your financial adviser. You will also see, on *Investor Online*, the percentage reduction that has been applied to your administration fee.

A change in financial adviser or your financial adviser's licensee arrangement will affect the reduction to the administration fee you receive. Any reduction to the administration fee, following negotiation by your financial adviser or their licensee, will cease to apply and the administration fee will revert to the un-reduced administration fee on 30 days' notice, or without notice if you cease to be advised by your financial adviser or their licensee.

All other reductions that are applied to your administration fee, including fee aggregation are calculated after any licensee negotiated administration fee waiver. For more information about what happens if you don't have a financial adviser, see 'What will occur if you no longer have a financial adviser' in the 'General information' section in this PDS.

### Adviser remuneration/fees

Our fee structure provides you and your financial adviser with flexibility when determining the fee they receive for the financial advice and related services they provide to you in relation to your account. The following optional fees are available for you to select the most appropriate remuneration arrangement with your financial adviser:

- Initial deposit contribution fee,
- Ongoing adviser fee, and
- One-off adviser fee.

You may negotiate with your adviser to pay one or more of the fees to your adviser or your adviser's licensee. You must specify these fees on the relevant form. The amounts you specify will be exclusive of GST. Where applicable, the actual amounts that will be deducted from your Transaction Account will include GST and may be adjusted for RITCs that may be claimed in respect of these fees.

The payment of fees that you agree to pay to your financial adviser in relation to financial product advice or related services that you receive will, subject to our duties as the Trustee, be facilitated by us in accordance with your directions. Generally, when you consent to us paying these agreed fees to your financial adviser, we will deduct those amounts in the same way (and on the same basis under the Trust Deed) used to deduct the fees you pay to us for administering your account.

Please note that all of the adviser fees are deducted by us and then paid to your financial adviser, or to your financial adviser's licensee on behalf of your financial adviser. However, we will not deduct any amounts in relation to adviser fees unless you agree, and we do not retain any portion of these adviser fees for our own benefit.

By consenting in the the relevant form you agree to the deduction and payment of agreed fees to your financial adviser (or to your financial adviser's licensee on behalf of your financial adviser). You direct us to make those payments to your financial adviser (or to your financial adviser's licensee on behalf of your financial adviser).

You authorise us to deduct the ongoing adviser fee from your Transaction Account on a monthly basis in arrears, and continue to pay these fees until you direct us to cease paying it or your consent to the deduction of the fee is withdrawn or expires.

You will be required to provide periodic consent (generally annually) for the deduction and payment of the fee to continue. If we do not receive the required consent, we will cease paying the fee to your adviser (or your adviser's licensee, as applicable).

---

<sup>1</sup> Reference to 'managed investments' includes term deposits with respect to Asgard eWRAP Super/Pension accounts but not Asgard Infinity eWRAP Super/Pension accounts.

### Opting-out from advice

You may at any time opt out of receiving financial advice or related services from your financial adviser and paying your financial adviser ongoing fees by notifying us. We encourage you to talk to your financial adviser first before requesting to change the fees applying to your account. We reserve the right to cease paying to your financial adviser any adviser fees on your behalf on receipt of a written request from either of you or your financial adviser.

If you opt out of the ongoing adviser fees paid to your financial adviser, we will generally cease paying the ongoing adviser fees from the beginning of the month in which your request is processed by us. However, if you have instructed us to cease paying adviser fees without terminating or opting out of an ongoing fee arrangement with your financial adviser, then you may still be personally liable to pay the adviser fees as agreed under that arrangement. For information on disclosure of your financial adviser's remuneration, refer to 'Disclosure of fees and costs received by your financial adviser' later in this section.

Opting out from advice is not the same as ending your relationship with your financial adviser. This needs to be separately requested (if required). If the relationship with your financial adviser has ended but you do not appoint a new financial adviser, this may have an effect on the fees you pay and your account features. For more information, see 'What will occur if you no longer have a financial adviser' in the 'General information' section in this PDS.

### Initial deposit contribution fee

You and your financial adviser may agree the amount of adviser remuneration that will apply to financial advice and related services provided in relation to the initial contribution into your account (whether made by you, your employer or another person on your behalf). It can be between nil and 5.5% (including GST). When you agree to the amount of the fee, you consent to us deducting and paying this amount from your account at the same time as we receive the contribution.

Where requested, the Initial deposit contribution fee can be nominated as a dollar amount at the time the contribution is made. However, the dollar amount cannot exceed a maximum of 5.5% (including GST) of the contribution.

### Ongoing adviser fee

An ongoing adviser fee can also be paid to your financial adviser in addition to the administration fee which is payable to us on a monthly basis in arrears. The ongoing adviser fee amount is calculated on the basis agreed between you and your financial adviser. When you agree on an amount, or basis of calculation, you consent to us deducting and paying this amount from your account each month.

You may select from the following monthly adviser fee options:

1. **Flat percentage amount** – select a flat percentage between 0% and 5.5% (including GST) to apply to the value of managed investments, term deposits, listed securities and cash, OR
2. **Sliding scale** – specify a sliding scale applicable to the value of managed investments, term deposits and listed securities, OR
3. **Flat dollar amount** – select a flat dollar amount per month which can be adjusted, either up or down, annually in line with the Consumer Price Index (CPI). You can indicate the month and year in which the adjustment will first occur in your application. The monthly dollar amount will be adjusted by the annual CPI percentage released for the previous quarter.

The flat percentage and sliding scale monthly adviser fee options are calculated based on your account balance of managed investments, term deposits, listed securities and/or cash, as applicable at the end of the previous month, and deducted monthly in arrears.

Ongoing adviser fees are paid monthly in arrears from your Transaction Account. Where your account is opened during the month, the ongoing adviser fee charged for the first month will be pro-rated based on the number of days your account was opened in that month.

### One-off adviser fee

You can agree with your financial adviser to have a one-off flat dollar fee charged to your account. The one-off adviser fee can be paid to your financial adviser in addition to the administration fee which is payable to us. When you agree on an amount, you consent to us deducting and paying this amount from your account.

The one-off adviser fee can be charged on an ad-hoc basis but is limited to being charged once a month. It is deducted from your Transaction Account in arrears at the beginning of the next month or, if applicable, at the time your account is closed. In each case, the one-off fee will only be charged if your total account balance as at the end of the previous month was sufficient to cover the fee amount.

### Disclosure of fees and costs received by your financial adviser

Your financial adviser must disclose to you any benefits they receive in relation to your investment, including all fees and costs that you have negotiated with them. See your financial adviser's Financial Services Guide and/or Statement of Advice for further information on these benefits.

If an ongoing fee arrangement exists between you and your financial adviser, your financial adviser will also be required to give you a Fee Disclosure Statement on an annual basis. It is also the responsibility of you and your financial adviser to notify us to cease payment of adviser remuneration or fees in the event that the ongoing fee arrangement is either terminated or is not renewed.

### **Variation of fees and costs**

Our ability to charge fees and expenses, including both maximum amounts and the introduction of new fees, is not restricted under the Custody Service Deed (the trust deed for Asgard eWRAP Super/Pension, a copy of which can be obtained by calling our Customer Relations team). We may change or introduce fees and other costs payable to us at any time and will give you at least 30 days' prior written notice if we consider the change is materially adverse to your interests.

In the event of any change in tax laws or their interpretation, including changes which affect the rate of GST payable or the input tax credits, the amounts deducted from your Transaction Account in respect of the fees and costs applied to your Asgard eWRAP Super/Pension account may be varied or adjusted to reflect such changes without your consent or further notice to you.

We may, at our discretion, either generally or on request from you, your financial adviser or your financial adviser's licensee, reduce or waive any of the fees and costs applying to your account.

Any such reduction or waiver of fees and costs will cease to apply, and those fees and costs will generally revert to the un-reduced amount on 30 days' notice, or without notice if you cease to be advised by your financial adviser or your financial adviser's licensee.

### **Managed investments**

Investment manager fees may be varied at any time by an investment manager, without notice to you. For further information regarding the fees and other costs for each managed investment, refer to the product disclosure statements or other disclosure document(s) for these managed investments.

Details of current fees and costs, including changes to underlying managed investment fees and costs, are available through *Investor Online* (see 'Electronic notifications, eStatements and online communications' in the 'General information' section in this PDS for more information about electronic notification).

Before making an investment decision, you should refer to the current investment manager fees applying to your account

which are available at any time through *Investor Online* and by referring to any related updating information that is applicable to your account.

### **Performance fees**

Where you invest in managed funds, and exchange traded funds (collectively referred to as 'managed investments'), some of the fund managers of these managed investments may be entitled to receive performance fees in addition to the management fees they receive. These performance fees can affect the fees and costs of any managed investments you choose. Details of any performance fees payable are set out in the product disclosure statement or other disclosure document(s) for the relevant managed investments.

The Administrator does not receive any performance fees in respect of the transaction account, so the transaction account fee shown in the 'Investment fees and costs' section of the 'Fees and costs summary' table includes an amount of 0% for performance fees.

### **Related party investment arrangements and transactions**

Some of the managed investments and term deposits available through Asgard eWRAP Super/Pension are issued or managed by companies within the Westpac Group. These Westpac Group companies receive fees in relation to your investment in the relevant product, which may include contribution fees, management fees, performance fees, withdrawal fees and other fees as specified in the product disclosure statement or other disclosure document for the relevant products. Companies within the Westpac Group may also hold on deposit and manage the monies in your cash balance on a daily basis and may perform other services in relation to assets. Related parties will receive fees for services they provide. All arrangements are on an arm's length basis.

Where a managed investment is issued or managed by a company in the Westpac Group, the same investment selection criteria applicable to managed investments issued or managed by unrelated parties applies. We also have policies that govern how we manage actual and perceived conflicts of interest that may arise and these policies apply to the managed investment selection process.

For more information on additional fees and costs such as performance fees, buy/sell spreads and share brokerage that may apply, see the 'Additional explanation of fees and costs' section in the AIB.

## 6. General information

### What will occur if you no longer have a financial adviser

You must have a financial adviser when you open your Asgard eWRAP Super/Pension account. However, if you wish to end the relationship, you must notify us immediately by taking the steps described below. Alternatively, if we become aware of an event that ends the relationship between you and your financial adviser, we will notify you. In these cases, you can appoint a new financial adviser to manage your account.

**We encourage you to have a financial adviser to allow you to access all account features and to enable efficient processing of your investment instructions.**

### What do you need to do

If you wish to appoint a new financial adviser, you need to complete a 'Change of Adviser' form and return it to us. If you wish to end the relationship with your current financial adviser, but will not be appointing a new financial adviser at the same time, you will need to complete a 'Request to remove a financial adviser from an account' form. You can obtain both forms by contacting Customer Relations. **It is important to complete the relevant form to assist you in managing your adviser fee arrangements and deciding who can access your account.**

### What happens if you do not appoint a replacement financial adviser

If you do not appoint a new financial adviser, you will assume responsibility for managing your account directly.

Once we process your 'Request to remove a financial adviser from an account' form or, alternatively, after we have notified you that your relationship with your financial adviser has ended, the following changes will automatically occur within a period that is appropriate in the circumstances or is required by law:

- Loss of any negotiated administration fee discount. If your financial adviser (or their licensee) had negotiated a reduction in your administration fee, this reduction will no longer apply and your administration fee will increase to the amount disclosed in the fee table in this PDS (see the 'Fees and other costs' section in this PDS).
- Some features of your Asgard eWRAP Super or eWRAP Pension account will change. For example you will be:
  - able to provide investment instructions relating to managed investments, term deposits and (if you have a share account) listed securities, provided you complete and lodge a form with us. The form is available through Customer Relations or by visiting [investoronline.info](http://investoronline.info),
  - unable to provide us with your corporate action elections,
  - unable to access some investments (including those you already hold) restricted to investors who have

an adviser or who have received personal advice and therefore may not be available for new or additional investment. However, you will be able to retain any existing investments you already hold,

- required to complete and lodge a form with us to access certain account features that your financial adviser would otherwise manage for you. These forms are available through Customer Relations or by visiting [investoronline.info](http://investoronline.info), and
- unable to access certain account features, including automatically rebalance your account.

If you do not appoint a new financial adviser, insurance options will no longer be available to you. Note that any existing insurance policies you hold at the time you end the relationship with your adviser will not be impacted by these changes. Any existing cover you have will be retained, and you will also be able to renew, amend or cancel those policies.

### More information

We have a policy that outlines how we deal with investors who don't have a financial adviser attached/linked to their account. You can access this policy free of charge by contacting Customer Relations. We may amend this policy from time-to-time and will notify you of any change to our policy that requires your consent.

## Electronic notifications, eStatements and online communications

### eStatements and online communication

You can view your correspondence, including reports, account actions and most letters, in the one secure location on *Investor Online* via [investoronline.info](http://investoronline.info).

If you choose to receive your correspondence online, instead of by mail, you can:

- save time – receive an eStatement notification email when something new is available
- reduce paper – cut back on storage, clutter and help the environment
- enjoy peace of mind – knowing your reports are stored securely online
- easily access your correspondence – view, download or print anywhere, anytime, and
- switch back to paper correspondence, free of charge at any time.

You can make the choice to receive correspondence online when completing your application, by notifying your financial adviser, registering on *Investor Online* or calling us. As important information about your account may be sent to the email address you nominate in your application, it's important that you nominate a current and active email address and notify us immediately if the email address you provided to us changes.

 Refer to the 'Investor declarations, conditions and acknowledgments' section in the AIB for the terms and conditions applying to eStatements and online communications.

### Electronic notifications and updated information

We may provide you with all information, including without limitation any notification, disclosure documents or any other documents for underlying managed investments (Information), required or permitted to be given to you under the *Superannuation Industry (Supervision) Act 1993* (Cth) (SIS), the Corporations Act or any other relevant law:

- where it is or may become permissible under SIS, the Corporations Act or any other relevant law, via your financial adviser in writing or notice by email or other electronic communication (including by making it available at *Investor Online*), and
- directly:
  - by email (including emails containing a hypertext link), and
  - by other electronic communication (including documents containing a hypertext link or by making it available online at *Investor Online*).

If you're:

- a new member, by making an application to open Asgard eWRAP Super/Pension account, or
- an existing member, by giving an investment direction or switching request, using the Regular buy feature, or by you (or someone on your behalf) making further contributions, on or after the date of this PDS,

you agree that Information can be provided to you in any of these ways.

### When we send you documents

You agree we may give you documents and other communications by any of the methods specified below including by sending them to any address for you, your financial adviser or your representative provided by you or that the Administrator reasonably believes is correct. In this case, those documents and other communications are taken to be given if:

- online, when available
- sent by post (including a letter containing a reference to a website where the relevant document or other communication can be found), three business days after posting
- sent by fax, on production of a transmission report
- sent by email (including an email containing a hypertext link to one or more documents), one business day after the email is sent, or
- given personally, when received.

You will also have access to the above information through your financial adviser and we may choose to send some or all of this information to you.

## Cooling-off period

If you change your mind about investing in Asgard eWRAP Super/Pension, you may redeem your investment from the Fund by having your money paid to another complying super fund or paid directly back to you (in the latter case, only if you satisfy a condition of release of preserved benefits). This right can be exercised within 14 days after confirmation of your investment or 14 days after the fifth business day after the money has been invested, whichever is earlier. This cooling-off period only applies to the first contribution made into your account.

You may exercise your cooling-off rights by notifying us in writing within the cooling-off period. You cannot exercise your cooling-off rights in respect of a deposit after you have exercised any other rights or powers you have in respect of that deposit.

The amount received will reflect any market movements (up or down) in the value of the investment in your account.

We may also deduct any taxes, reasonable transaction and administration costs. In the case of Asgard eWRAP Pension account we may also deduct any pension payments that have already been made, or any pro-rata pension payments legally required to be made. As a result, the amount redeemed may be less than your original investment. The sale of any investments required to action the refund may also result in the realisation of a taxable capital gain.

If your money is required to be paid to another super fund, or you wish to have the money paid to another super fund, you must nominate that fund to us. You must make such a nomination to us within one month of your refund request.

If you do not advise us of the complying super fund, retirement savings account or approved deposit fund you would like your contribution to be rolled over to, we may be obliged to transfer the amount to the ATO. For more information refer to 'Unclaimed money' in the 'Other information' section in the AIB.

## Feedback and Complaints

### Delivering on our service promise

We're constantly striving to provide the best possible service, and we'll do our best to resolve any concern you have quickly and fairly.

### Our commitment to you

If you're ever unhappy about something we've done – or perhaps not done – please give us the opportunity to put things right.

Our aim is to resolve your complaint within 5 working days, however, where possible we will resolve your complaint on the spot. If we need some additional time to get back to you, we will let you know. Should we be unable to resolve your concern at your first point of contact, we will then refer the complaint to one of our dedicated customer managers.

Our customer managers are here to find a solution for you and will ensure that you're regularly updated about the progress we are making to resolve your complaint.

## Your term allocated pension account

From 20 September 2007, we no longer accept applications for term allocated pensions (TAP). TAPs are only available to eligible binding reversionary pension beneficiaries. You are an eligible beneficiary of a binding reversionary pension if an initial member who received the TAP (original member) has died and you were nominated as their beneficiary under a binding reversionary nomination made by them.

TAPs provide you with a regular pension payment for the term the original member chose. Your TAP account payments will be made over the nominated term of the pension which was established at the commencement of the original account

### Calculating the term

When the TAP commenced, the original member established the term of the pension. The original member could have chosen between their or your life expectancy and the number of years before they or you would reach age 100.

They could only use your life expectancy for determining the term if it was greater than theirs and they nominated you as a binding reversionary pension beneficiary.

### Pension payments

The pension you can draw from the TAP account is calculated on 1 July each year using a formula that factors in your account balance and the remaining term of your pension. You can adjust the amount of your pension payments from between 90% to 110% of this annual amount at any time.

### Social security benefits

No Centrelink asset test exemption applies to the allocated pension account. However, TAPs will continue to attract a 50% asset test exemption under social security law when they were commenced before 20 September 2007. For more information, contact your financial adviser.

### Lump-sum payments

The Government has restricted lump sum access to TAPs except:

- where your TAP is not funded from the commutation of a complying pension or annuity. You can make a withdrawal within six months of commencement of your TAP unless your pension was established by satisfying the pre-retirement pension condition of release, in which case you can withdraw only your unrestricted non-preserved benefits
- if you or your reversionary beneficiary dies. However, if the nominated life expectancy for your TAP is based on your spouse's life expectancy, you can't commute your TAP until after both you and your spouse die, other than to purchase a new complying pension or annuity
- where the withdrawal is directly used to purchase another complying pension or annuity with comparable Centrelink treatment

- to make a non-member spouse payment split under the Family Law Act, or
- to ensure that a payment may be made for the purpose of giving effect to a release authority under the Tax Act.

You should consult your financial adviser before you decide to take any part of your pension as a lump sum.

For more information on Asgard eWRAP Super/Pension, refer to the 'Other information' and 'Investor declarations, conditions and acknowledgements' sections in the AIB.
